## Questions and Answers

Year 1

Week 3

## Year 1 - Week 3

### This week in a nutshell:

Welcome to the third week of Fluent in Five in Year 1.

As children are at still towards the start of their Fluent in Five journey, this week's questions continue to focus on number skills that should have been secured as part of their EYFS experience. For the first time in Year 1 Fluent in Five, children will meet subtraction facts related to bonds to 10.

It is suggested that the following manipulatives are available for children to freely select from this week:-

- Number shapes
- Tens frames and counters
- Bead strings
- 0-20 number lines
